First Stop Health

Industry Leading Utilization Driven by Ease, Outreach, & Experience

Accessibility

Support across app, web, or phone within minutes and members are pre-registered. All visits are $0 for patients. Multi-lingual doctors and technology are available for the whole household and employee community.

Employee Engagement Campaigns

Cobranded, hyper-personalized marketing programs that are organized and funded by First Stop Health. Co-branded materials for maximum impact (e.g., emails, texts, direct mail, push notifications, etc.)

Various Entry Points

Multiple touchpoints of initial access, including wellness incentives, triage from Mental Health and Primary Care settings, in-the-moment support via Urgent Care, etc.

Ongoing Clinical Outreach

Reminders & clinical follow-up around recommended prevention activity, personal goals, treatment plans and suggestions based on past use.
